August 11, 2011

Dear Parents/Guardians of Morrilton Intermediate Scholars:

Welcome to a new year at Morrilton Intermediate School! As the new principal, I want to take this time to welcome you to our school and personally invite you to actively participate in your child's education. To assist you in doing this, we have put together an informational packet for you. In this packet, you will find instructions specifically for the first day of school and procedures for every day of school after. Please read these carefully and follow the instructions provided. This will help ensure a smooth beginning for everyone.

The faculty and staff at Morrilton Intermediate School are excited about the coming school year and the promise of success that this year brings. I am looking forward to meeting each of you and working with you to provide the best possible educational experience for your child(ren). Please join us in "Working Together for the Success of the Whole Child".

Sincerely,

Christie Toland  
Principal  
Morrilton Intermediate School
