## Literacy/Social Studies:

Students will begin a unit of study titled "We the People". Students will gain a working knowledge of how our government works and the meaning of citizenship. Throughout this unit students will complete various tasks such as letter writing, poetry analyzing, poetry writing, using graphic organizers, arguing/debating topics, group projects, technology projects (flowchart, letters, table of contents, power point), and a culminating class presentation. Students will be responsible for creating a portfolio of useful information about our government. We will be working in this unit for the next few weeks. Students will be able to practice reading strategies throughout the unit.

## Math/Science/Social Studies:

**MATH:** Students will be working on volume, symmetry, and linear measurement and conversion of units.

**SCIENCE:** Students will review simple machines and learn how they are used to make complex machines.

**SOCIAL STUDIES:** Students will learn about the roles of the president and his cabinet, the Supreme Court, the importance of voting, and citizens' rights.

## *Reminders:*
